Wee-wow Sensei began her study of Aikido in November of 1985 at Baylor University in Waco, Texas. She continued her training in Miami Florida, and remains active in her martial arts training under various Shihans and Shidoins from the US, Canada, Japan, and Europe. She has also conducted seminars in the US, Canada, and Latin America.

Having cross-trained in the Filipino Martial Arts and Ju-jitsu, her style of Aikido practice is very intensive and practical, while retaining the fluid and graceful motions characteristic of Aikido techniques.
